Title: ADVENTURES IN SOUND AND SPACE

Artist: Sace 2

Estyle: Electro Funk

Feats: Electronautas, Downrocks, Janine, Quilate, Xpinvert, Freeze Rockers

Sace 2 made his first steps in the music world at late of 80's as DJ and Producer around the Spanish Hip Hop scene. Very fond of collecting 70's and 80's black music vinyls, he was influenced by this on genres like Electro, Rap and Funk but also by some of european ones like Electropop, Disco or Synth-Dance. He was also an active musician on the underground demo scene making electronic songs for software, cracks and games for computers.

Since 1993 he has been publishing and taking part in some references as: "ResMúsica", "Elektrodomesticos", "La Musika", "Emisiones Continuas", "Star Whores Records" collaborating with artists like Koa, Zeb Roc Ski, Malinche. Etc.

From Beathazard Recordings, we can present finally this very elaborated album representing the Electro Funk sound produced in Madrid. So, the lovers of the 80's Old School sound are welcome, since there will be able to travel through the hyper-space with these 11 cuts filled with Electro, Hip Hop and Funk and loaded with Synthesizers, Drum boxes, Vocoders, Scratches, Rap, Freestyle and other Cosmic effects. They will have a good time with artists' collabos as: Janine Hazell, Freeze Rockers, Quilate, Downrocks and members of the group of DJ's and producers "Electronautas" representing the old school, the Breakdance and the real Hip Hop from the 80's.

This work releases in the moment in which the world scene of the Electro is moving again. "Prohibido el Ritmo", included here, has come the position 11 in the Top 20 List of Streetsounds UK, sharing it with Egyptian Lover, Dynamix II and Bass Junkie.
